Welcome back Falcons, and a big hello to our new Falcons. Welcome to our family. This year is going to be a fantastic year! Our theme for the year is Unleashing the Gospel for 90 years. You should have received the first day packet. This is very important to fill out and return in a timely manner. I know it is a lot of paperwork, but please return it all by Friday, September 9th.

One of the items in this packet is for our school directory. I invite you to include yourself in this as it helps out a lot. You will be able to make calls to the other families in your child's grade. This comes in handy when a student forgets a homework assignment. They can call someone else in the class and get the assignment.

Another important item is Protecting God's Children. This course **MUST** be taken before any adult can volunteer in the school. It is easiest to get this class before an event you want to volunteer for. There are many classes held throughout the year and throughout the Archdiocese. To find a location and register please see the link on the school website.

Our annual book sale is fast approaching. There have been tireless volunteers working all summer preparing, but much more help is still needed. Please volunteer to help with setup, takedown, or the sale itself. See Sonya Zakolski or Tamara Smith, or stop into the office and we can help get you the information. Each family is required to do twenty 20 VIP service hours. Fifteen (15) of those hours need to be for the book sale and/or auction.

I am looking forward to another great school year here at St. Clare! I am looking forward to meeting all of our new families, and becoming better acquainted with our families who have been at St. Clare.

Here's to a fantastic school year!

Peace,

Geoffrey Fisher
Principal
