**St. Clare of Montefalco School Song**

We are falcons soaring through the sky, flying high above the land.  
Searching high and low for what is right, to lend a helping hand.  
St. Clare, St. Clare, we pledge our loyalty.  
We carry a banner of red, white and black, falcons flying free.  
Of St. Clare we’re proud to walk your hallowed hall and to learn and sing and pray.  
We are glad to be part of you when we go to school each day.  
Raise our hands, lift our hearts, praise the Lord for everything he does.  
And we’ll do our best to change our world for St. Clare teaches love.

## ST. CLARE OF MONTEFALCO CATHOLIC SCHOOL HANDBOOK

This handbook is a general statement of the policies and procedures in effect at St. Clare of Montefalco Catholic School. Students, parents, teachers, staff and any other individual on school property are subject to these policies and procedures. The handbook is supplemented by the policies and rules contained in the Policies and Rules Handbook for Catholic Schools of the Archdiocese of Detroit, a copy of which is in the school office. Issues regarding the implementation and interpretation of this handbook shall be as determined at the discretion of the Principal.

Parents/Guardians/Legal Representatives of those children enrolled are expected to adhere to the policies presented within this School Handbook. The word "Parent" represents all the aforementioned.

## PROVISIONS FOR REVIEW

The St. Clare of Montefalco Catholic School Commission shall assign a special School Handbook Subcommittee consisting of Commission members and school staff to perform an annual review of the Handbook. During its review, the subcommittee shall consider input provided by parents, students, teachers and staff of St. Clare of Montefalco. The St. Clare of Montefalco Catholic School Commission and the Principal retain the right to amend the handbook and parents will be given prompt notification if changes are made.

## SCHOOL PHILOSOPHY

St. Clare of Montefalco Catholic School is a Catholic community committed to excellence and uniqueness through extraordinary effort and love. It practices Christian beliefs by providing an atmosphere that encourages each member to develop a sense of personal worth, academic excellence, and Christian responsibility. It motivates its students to become valued, confident, and independent learners. It fosters a climate of moral awareness, social responsibility, and respect for one another. In so doing, this school community is sharing its common belief that we can make a difference when guided by our faith in Jesus Christ.

## SCHOOL MISSION

The mission of St. Clare of Montefalco Catholic School is to be a Gospel presence in our diverse community and to provide opportunities to develop each child's God-given talents. *Reaffirmed (2010)*

St. Clare of Montefalco uses the following set of objectives, established by the Faculty and School Commission and listed in the Faculty Handbook, to provide direction in the education of our students:

### I. As a School of Excellence:

#### A. Academic Objectives

1. Offer each child the highest quality education in Religion, Language Arts, Math, Science, and Social Studies/History.
2. Develop and maintain lifelong learning skills and habits.
3. Offer our children varied experiences with computers, physical education, creative arts and a world language (Spanish).
4. Expand our children's knowledge base through various academic clubs, challenges and competitions.
5. Offer programs which develop the physical, mental, emotional and spiritual health of our children.
6. Provide opportunities to develop each child's creativity across the curriculum.

B. Social and Emotional Development

1. Encourage each child's self-motivation as the basis of an individual's learning.
2. Help each child develop a sense of responsibility for his/her actions.
3. Encourage each child to acknowledge and appreciate his/her self worth and the worth of each individual.
4. Provide an environment, which teaches and nurtures each child's development of self-esteem.
5. Gain diversity by helping each child develop an appreciation of all cultures and develop and acceptance of the individuals within that culture.
6. Foster an understanding of order and discipline that in each child supports a learning environment.

II. As a Parochial School:

A. Catholic Objectives

1. Develop a deep belief in Jesus Christ as Savior and to live as He taught.
2. Foster a healthy knowledge and appreciation of the Catholic Church: doctrine, morals and devotions.
3. Give each child the opportunity to learn about the Good News through Scriptures.
4. Stress the benefits of active participation in the Catholic Church, the sacraments, and Christian Service activities.
5. Encourage the promotion of vocations (religious and lay) as a means of fulfillment for an individual's life.

B. Christian Objectives

1. Respect and appreciate all religions.
2. Learn that an individual's responsibility is to serve others.
3. Promote Christian values in all our children.

All students and their parents must support the philosophy and policies of St. Clare of Montefalco Catholic School. All students must take the religious education courses offered at their grade level.

## Admission Criteria

St. Clare of Montefalco Catholic School admits students, subject to the admission priorities and acceptance procedure identified below, of any creed, race and national or ethnic origin. All students are accorded the same rights, privileges, programs and activities while enrolled. The school does not discriminate on the basis of race, national or ethnic origin, or sexual orientation in the administration of admissions, educational policies or scholarship/grant programs.

Admission priority will be first given to currently enrolled St. Clare School families, then to St. Clare parishioners, followed by Catholics from other parishes. Then, based on space availability, admission will be given to those of other faiths.

Student acceptance and placement will be determined on an individual basis considering past scholastic and citizenship records. All new students may be tested (Grades 2 through 8) in language arts and mathematics) before admission. Test results will determine grade level of entry.

All students with a history of discipline problems in other schools may be accepted at the discretion of the principal.

The procedure for admission/acceptance is as follows:

1. Family fills out registration and submits registration fee\* beginning in February.
2. Testing is arranged with teacher from entry grade through the administration.
3. Student is accepted or denied entrance based on the testing, past academic and behavior records along with any other pertinent information from previous school(s).

With kindergarten screening, the process ends here if there is a lack of acceptance of the recommended placement. The registration fee is refunded to those who are denied/do not accept placement.

4. Students entering our school beyond kindergarten are placed on academic and behavioral probation for the first year of attendance.
5. Tuition payments begin on schedule.
6. Family attends New Family Orientation at the beginning of the school year.

Children entering Kindergarten must be five (5) years of age on or before December 1 of that year. Any First Grader entering the school at that level must be six (6) years of age on or before December 1 of that entry year.

Required paperwork for all new students includes:

- Birth Certificate
- A school health form with current immunizations
- A baptismal certificate for all Catholic students

A student cannot be in attendance until these requirements are fulfilled.

**\*PLEASE NOTE:** A \$35.00 SERVICE FEE IS CHARGED FOR ANY AND ALL RETURNED CHECKS.

## **Annual Registration**

Complete registration packets for families who have completed their tuition payments and new families will be issued in February/March. Registration for the upcoming year cannot occur until the current school year's tuition, fund-raising and latchkey is paid in full.

A non-refundable registration fee is required at the time of registration. This fee includes book fee, lunchroom supervision fee and a technology fee. The registration fee is per family.

### **ST. CLARE OF MONTEFALCO NURSERY SCHOOL**

A nursery school program, located in the Sweeney Center, is available during the school year for three and four year old using the same criteria for admission as the other school programs.

Classes are in session from 9:15 a.m. to 12:15 a.m. Tuesday, Wednesday and Friday.

Tuition costs are determined annually. This is a cooperative nursery school program, which requires families to make a commitment of time in addition to their financial obligation. Complete guidelines for this program are available in a separate handbook.

A child entering the St. Clare Nursery School must be three (3) or four (4) years of age on or before December 1 of the year entering.

Nursery School information and contact can be made by calling 313-647-5160.

## **Financial Obligations**

### **TUITION POLICY**

St. Clare of Montefalco Catholic School's operating budget is dependent on the income derived from tuition and fees and the subsidy from St. Clare Parish. In order for the school to operate on its tight budget, it is essential that every student's tuition and fees be paid in full and on time.

Tuition policy and fees are presented to School Commission by the Principal for review. The policy and fees are then submitted to and confirmed by the Parish Finance and Administration Committee. Different tuition rates apply to contributing parishioners and non-parishioners.

All tuition payment and processing will be administered by FACTS, an outside tuition payment agency. All families will be required to register into the FACTS payment program upon registration. The tuition

schedule covers a 10 month payment plan (typically June through March for those families registered by April 30th). For those families registering after April, a payment schedule will be determined by FACTS and the school tuition coordinator. Please Note: Families with delinquent or late payments will be charged a service fee by FACTS.

**To be Eligible for Parish Tuition, Families:**

Must be a registered St. Clare Parish family  
(A family must be Catholic or officially enrolled in St. Clare's RCIA Program to register in St. Clare's Parish.)

Must be "active" Parish family

- a. Attend Mass regularly
- b. Participate in Parish volunteer organizations (e.g. Knights of Columbus, PTO, Ushers, Parish Council, etc.)

Note 1: Use of the Parish envelopes provides a clear record of Mass attendance, even if envelopes contain little or no donations of money.

Note 2: If "active" membership is questioned, it will be the family's burden to show proof of participation.

**Out-of-Parish Tuition -**

Families will be required to pay the full or out-of-parish tuition if they are:

- A. Registered but Non-Contributing Parishioners either through mass non-attendance or lack of active participation in the parish.
- B. Parishioner of another Catholic Parish. The pastor of this family's parish should be contacted about helping with the out-of-parish charges.
- C. Non-Catholics.

**Unpaid Tuition Consequences –**

St. Clare of Montefalco Catholic School will take whatever steps it deems appropriate to collect unpaid tuition and fees. If during the course of the school year a student's tuition and fees are not paid according to the established schedule, the following actions may be taken:

- Parents/guardians will be notified that unless the situation is remedied the student will not be permitted to continue at St. Clare of Montefalco Catholic School.
- Report cards will be withheld. Children may be excluded from classes.
- The family will not be permitted to register for the next school year until this situation is remedied.
- For students who leave St. Clare of Montefalco Catholic School with unpaid tuition or fees, their records will not be released until full payment has been made.
- Eighth graders in this situation may not be permitted to participate in graduation ceremonies or other end of the year activities. Diplomas will be withheld until all financial obligations have been met.
- Eighth graders' records to be used for high school placement will not be sent until tuition is up to date.
- Unpaid balances will be turned over to a collection agency or lawyer. If sent to one of these agencies there will be extra fees added to cover administrative costs.

All money owed to St. Clare (tuition, latch key, fundraising, PTO unworked volunteer hour payment, etc.) must be paid to date for the new school year before a child can begin classes in September. At the beginning of the each quarter, students of families with delinquent accounts may be excluded from school until payment is made or a specific payment plan is detailed.

**Families Who Leave St. Clare during the Course of the School Year –**

If a St. Clare School family leaves during the course of the school year, they will be responsible for tuition payments through the end of the month that they leave. Any eligible tuition refund will be determined by the school tuition coordinator and the Principal.

# FUNDRAISING POLICY

Fundraising plays an important role towards the financial security of St. Clare School. Each School family is required to contribute a minimum of \$250 towards fundraising each year. This fundraising fee requirement must be fulfilled by March 1<sup>st</sup>. This can be accomplished in two ways:

1. Submit to the school office a check payable to St. Clare School in the amount of \$250
2. Participate throughout the year in school-sponsored fundraising activities such as Kathryn Beich, Scrip, Market Day, and Kroger Card. All purchase profits made through these fundraising efforts by each family is credited towards their \$250 fundraising fee. For example, by spending \$100 with their Kroger Card, a family receives 4 percent or \$4.00 credit towards their fundraising fee.

During the school year, families will receive a fundraising statement to track their balance owed. These statements will detail the credits received from fundraising activities they've participated in and show a balance based on the credits deducted from the \$250.

Families showing an unpaid fundraising balance will be required to pay the balance owed by the end of April.

If the fundraising fee is not paid by the end of April, families will not be allowed to register for the following school year. Those families with children graduating from the 8<sup>th</sup> Grade will have the student's records withheld until payment is made.

All outstanding fundraising fees will be turned over to the tuition payment service for processing.

## Fundraising and Money issues:

8<sup>th</sup> grade fundraisers benefit the 8<sup>th</sup> grade only. Selling or purchasing these items helps the 8<sup>th</sup> grade class but they DO NOT count for part of your fundraising fee.

8<sup>th</sup> graders are charged a \$50 graduation fee. There is a mandatory retreat in December and the cost will be about \$40. Please plan accordingly.

### **Each family is responsible for \$250 fundraising fee.**

You can work off this fee by :

- using your Kroger Plus Card. **4% of your purchases** are credited to your account. If other people are earning money for you, Mrs. Bellia needs their name and number of their Plus card. We only get reports every 4 months, so they cannot be credited every month. If you spent \$100 one week you would bank \$4 in your account. You would have to spend \$6250 a year if you only use your Kroger card for the fundraising fee.
- Selling Entertainment Books, which we sell in September. The amount earned per book depends on the number sold but it is usually about **\$5 per book**. So if you sell 5 books, \$25 would be "banked" in your fundraising account. The sale of entertainment books begins on September 12 and all orders must be returned by October 7. Each family is automatically given one book to sell. If you will not/cannot sell it, it must be returned to the office. If it is not returned you will be charged \$25.
- Purchasing things through Market Day. Market Day is once a month. The orders are due several days prior to delivery. **10% of your purchase total** will be applied to your account. Again, if you get other people to use Market Day to assist your account, please put your name on the order form.
- Catalog orders. In October Kathryn Beich catalogs are given to each family. In the catalog are items like wrapping paper, candy, nuts, and seasonal items. **45-50% of your total order** is applied to your fundraising account.
- Purchasing and using scrip cards. You can order gift cards through the scrip program and a percentage comes back and is entered into your fundraising account.

## **The fundraising fee is due by April 27**

**Registration fee:** A \$250 registration fee per family for 2011-2012 is due at the time of registration.

**Tuition:** Tuition is payable each month through FACTS. **Only one change** will be allowed during the year. The FACTS program will charge \$25 each time there is insufficient funds in your account. There is a \$25 fee for late payments through invoices.

Report cards will be withheld if your financial obligations are not up to date. Children will be excluded from school and reports sent to a collection agency or our "tuition lawyer."

If some major event happens (lose your job, fire in your home, major flood, etc) and your finances are in disarray such that you cannot keep up with your payments, please make an appointment with Sr. Kathy. Do not lie to us. Do not tell us you will have a check next week and then not have it for us.

**PTO Mandatory service hours.** Each family is responsible for 10 hours of service. Hopefully you will do many more but you must do at least 10. **For every hour not worked, you will be charged \$10 per hour.** Help is especially needed for sorting books and the auction-getting ads and auction items. Only adult help will be reported. Students should be doing service, but it does not count toward your required service hours. The "list of events that count toward your required hours" are listed in the handbook. When you work you **MUST** sign in. The chairperson of the event will then send the hours to the PTO service hour recorder. Report cards and records will be withheld until payment is made.

**Please sign and return that you have read and understood the above information. If you have any questions please contact Mrs. Bellia during school hours at 313-645-5100.**

## **Attendance Policy**

**EARLY MORNING ARRIVAL/LATE AFTERNOON PICK-UP** – Students should be in line and waiting for the teachers to pick them up at 8:00 a.m.

There is no supervision for students before 7:50 a.m. If it is necessary for your child to arrive at school before 7:50 a.m. then arrangements should be made to send them to Extended Day. Please note that students must be registered for Extended Day prior to attending early morning Extended Day.

Further information can be obtained by calling the School Office at 313-647-5100.

# **Attendance Policy**

## **TARDINESS**

The arrival of a student after the time scheduled for the opening of classes constitutes tardiness. Tardiness interferes with a student's progress and is also an injustice to the other students of the class who are distracted by the tardy classmate. 3 tardies: student loses 10 minutes out of noon recess. 7 tardies count as 1 full day absence.

**Upon reception of the 8<sup>th</sup> tardy, the student will be required to attend Saturday school from 9-11 on a specified date. If parents feel they are responsible for the child always being tardy, he/she may join the Saturday school.**

Students not in the classroom at 8:05 a.m. will be considered tardy.

If a student arrives after 8:05 a.m. he/she must report to the office for a late slip. If a student arrives after 12:05 p.m. he/she must report to the office for a late slip.

## **ABSENCES**

Frequent absences constitute a handicap to a student's progress. Cooperation in keeping absences to a minimum is expected.

Please report all absences to the school (313-647-5100) before 8:30 a.m. A message should be left with the office personnel or on the answering machine giving the name of the student, grade, homeroom, reason for absence, and name of the caller.

Students arriving after 9:45 a.m. will be marked ½ day absent. Students arriving after 1:35 p.m. will be marked a full day absent.

Anyone who is tardy during the school year is not eligible for a Perfect Attendance award. Seven tardies during a quarter will result in a charged absence. A student who misses more than 12 days in a quarter will not receive grades for that quarter unless the Principal has previously granted permission or a doctor has issued a medical diagnosis.

## **ILLNESS**

If a student in Grades 3 – 8 is absent because of illness, arrangements must be made to take the student's work home. The amount of work to be sent home will be at the discretion of the individual teacher. Absent students' work must be picked up in the School Office between 3:20 and 4:00 p.m.

It is necessary that children with fevers, diarrhea, vomiting, colds, coughs and sore throats remain at home until recovered since they would be endangering their own health and the health of other children by returning to school too soon.

If a child contacts a communicable condition (chicken pox, lice, scarlet fever, impetigo, pink eye, measles, mumps, etc.) please inform the school office at 313-647-5100. The school must also be advised of any health condition that would affect a child during the school day. This would include such conditions as allergies, vision or hearing problems, epilepsy, hypoglycemia, diabetes, kidney or bladder problems, etc. The school must be advised, in writing, if a child is restricted from any physical activities.

If a student will be, is, or has been absent for an extended period due to illness, the parent must provide a written excuse from the student's physician to the teacher in order to maintain the student's academic status.

## **LEAVING SCHOOL/EARLY DISMISSAL**

School staff must receive notification in writing or by phone for any early dismissal or appointments request. All students must be picked up from the office and signed out by a parent or guardian. If a student is returning to school, he/she must sign in at the office.

## VACATION ABSENCES

Vacations should be taken during scheduled school vacation times. If an extended vacation time is taken, the school/teacher is under no obligation to provide work for the students. The teacher may be able to provide advance work if given several days notice. Students will be responsible for any missed assignments and class work. Parents have a duty to share in this responsibility.

## Code of Conduct

*“Seek first His kingdom and His righteousness and all the things will be given to you as well.”*

*Matthew 6:33*

Certain rules are necessary to maintain a safe learning environment. Violations of these rules must be dealt with firmly, or the school does an ultimate disservice to the majority of the students who have shown their good faith in following the rules. While it is rarely necessary to remove a student from the school, the school has an obligation to look out for the welfare of all constituencies.

Because we recognize that students will make mistakes, the school has a responsibility to be clear in its statement of the rules and fair in its enforcement. Consequences for rule infractions will always be assigned with consideration for the individual circumstances of each incident and the student’s past conduct.

This guide for students and parents was prepared as a Code of Conduct policy and adopted by the St. Clare of Montefalco Catholic School Commission and approved by the St. Clare of Montefalco Catholic School Administration.

This document covers the conduct of students, parents, guardians, staff, administrators, volunteers, and all other individuals on school property, property adjacent to the school and school sanctioned functions and field trips. The implementation and interpretation of this Code shall be determined at the discretion of the Principal.

## **RESPONSIBILITY FOR STUDENT CONDUCT**

Many people share the responsibility for student conduct. Each student is primarily accountable for his or her own conduct and this obligation increases as students grow older and mature.

Discipline within the school is the responsibility of the school staff and administration. With the cooperation of students, parents, and others, the staff seeks to maintain an environment that is safe, orderly, and conducive to learning.

## **STUDENT RESPONSIBILITY**

Students are expected to:

1. Reflect Christian values and behavior
2. Attend school regularly and be punctual
3. Devote their energies to learning under the direction of the total school staff
4. Respect the health, safety and rights of others
5. Follow the rules contained in the School Handbook

## **PARENT/GUARDIAN RESPONSIBILITY**

Parents and guardians are expected to:

1. Assume responsibility regarding conduct of their children at school
2. Assure regular and punctual attendance of their children
3. Establish and maintain appropriate communication with the school
4. Assist in resolving behavioral and academic problems
5. Provide positive encouragement to students and reinforcement to the school
6. Maintain students in proper uniforms as set forth in the Dress Code
7. Follow the rules contained in the School Handbook

## **SCHOOL STAFF RESPONSIBILITY**

Teachers, administrators, custodians, and other school employees have the obligation to:

1. Provide a safe environment conducive to learning
2. Help maintain and encourage proper student conduct
3. Make efforts to stop misconduct and report serious persistent violations
4. Assist students in following the Code of Conduct
5. Establish and maintain appropriate communication with the parents
6. Follow the rules contained in the School Handbook

3. Supervises all staff and operations of the school
4. Establishes and maintains appropriate communication with the parents and staff
5. Exerts control for the protection of the school programs, school environment, health, safety, and due process
6. Follow the rules contained in the School Handbook

## CATEGORIES OF MISCONDUCT

The administration may determine and invoke suspensions, and may take other steps intended as disciplinary or corrective action, regarding cases of misconduct on school premises, in school vehicles or at school functions.

Misconduct shall be regarded as those actions which may interfere materially or substantially with the operation of the school by endangering the health and safety of any person, by infringing on the rights of others, by causing disruption of educational programs or discipline, by causing loss or destruction of facilities, and actions which are otherwise in violation of laws, school policies and regulations, and school or classroom rules.

Acts of misconduct in any of the following categories will result in disciplinary, corrective and/or legal action against a student. Severity of the consequences will be determined based on the child's age and grade.

Many acts listed are violations of state law and city ordinances as well as school regulations. Police assistance will be called for as needed in serious matters. In the event police are contacted, parents will be notified immediately and must be present with their child before any contact or questioning occurs with the police

## APPEALS PROCESS FOR STUDENTS AND PARENTS

The following is a guideline to be used to address an issue or concern within the school community:

1. The issue or concern should be first discussed with the person(s) most directly involved. (Classroom concerns with teacher; school policy with principal, etc.)
2. If not satisfied with this response, an individual may contact the next level of administration (Principal, if teacher contacted in step #1 or Pastor, if Principal previously contacted.)
3. A joint meeting of all persons involved may be beneficial if the issue or concern is not settled in step #2 (parent, teacher, and Principal or Parent, Principal and Pastor.)
4. If contacted, a staff person from Archdiocesan Officer of Catholic Schools may serve in a consultative manner.

5. The Pastor makes the final decision.

## **PROBLEM SOLVING AT ST. CLARE SCHOOL**

**STEP #1:** Consult your handbook.

**STEP #2:** Engage in ***constructive dialogue*** with the appropriate person(s), with the ***proper perspective*** that the School is, should, and will always be operated in the ***best interests of ALL the children, staff, and programs.***

\*It is important to: stay calm; focus on the problem-not the person involved; listen carefully; look for common ground and the opportunity to work in collaboration and, be positive!

\*Remember: complaining to or gossiping with other parents—***especially in front of children***—may prevent both a constructive dialogue and an ultimate solution!

Below are some examples of methods in dealing with situations of concern:

### **PROBLEMS/QUESTIONS WITH THE CURRICULUM**

Speak ***privately*** (outside of class and children) with Teacher(s). If dissatisfied, speak with Principal. If not satisfied at this level, speak with the pastor.

### **PROBLEMS/QUESTIONS RE: SCHOOL POLICIES, RULES, ETC.**

Speak with Principal. If necessary, contact the Chairperson of the School Commission. If ***appropriate***, the matter will be placed on the agenda for the next School Commission.

### **PROBLEMS/QUESTIONS RE: YOUR CHILD'S BEHAVIOR OR ANOTHER CHILD'S BEHAVIOR IN CLASS INCLUDING DISCIPLINARY ISSUES**

Speak ***privately*** with the Teacher(s). If dissatisfied, speak to Principal.

### **PROBLEMS/QUESTIONS RE: RELATIONSHIPS WITH THE TEACHER(S)**

Speak first with Teacher(s) in ***private***. If dissatisfied, speak with the Principal.

### **PROBLEMS WITH PRINCIPAL RE: "OFFICIAL ACTS"**

Speak ***privately*** to the Principal first. If dissatisfied, speak privately with the Pastor.

# Bullying Policy

The bullying policy of St. Clare of Montefalco Catholic School is based on Roman Catholic principles and ideals, and recognizes the dignity and worth of each student. St. Clare of Montefalco Catholic School will encourage compassionate behavior between students and all others. When it is necessary to use corrective measures, the action taken is to be based on an understanding of the student and the particulars of the situation as well as on school guidance procedures.

## What is “Bullying”?

1. Name calling
2. Saying or writing nasty things about another person
3. Excluding others
4. Threatening others
5. Making others feel uncomfortable or scared
6. Taking or damaging another’s belongings
7. Hitting or kicking
8. Making others do things they don't want to do

Some people think bullying is just part of growing up and a way for young people to learn to stick up for themselves. However, bullying can make young people feel lonely, unhappy and frightened. It makes them feel unsafe and think there must be something wrong with them. They lose confidence and may not want to go to school any more. It may even make them feel sick.

What will happen if a Charge of Bullying is made?

- There will be a prompt investigation by the teacher and/or the administration based on the seriousness of the allegation.
- Appropriate discipline of the student(s) shall occur if the allegation is found to be valid as determined by the teacher and/or administration.

## Consequences for Bullying

St. Clare of Montefalco Catholic School will impose consequences for students who are determined by the teacher and/or administration as having bullied another student. Our progressive discipline regime is intended to deter future bullying and encourage compassionate behavior towards others.

**Philosophy:** Deterrence of bullying is best achieved when discipline is based on the following elements:

- **Certainty.** If a student bullies another, then it is certain that the student shall receive a consequence.
- **Immediacy.** The student’s consequences will occur swiftly after the bullying occurs.
- **Severity.** The student’s consequences will be appropriate to the seriousness of the bullying and/or the frequency of that student’s bullying behavior.
- **Types of Discipline.** The type of discipline can vary from informal admonishment to expulsion based on the seriousness of the bullying event and/or the frequency of that student’s bullying. (See Handbook - Code of Conduct Page 17 for Possible Consequences for Serious Infractions.)

# Electronic Devices Policy

## CELLULAR TELEPHONES

- Written parental permission required and will be kept on file
- Cell phone must be turned in to Home Room teacher at 8:00 a.m.
- Cell phone will be returned at 3:20 p.m.
- If a student is reporting to Extended Day, the cell phone must be given to an Extended Day staff member.
- Failure to comply will result in the cell phone being confiscated and held in the School Office. Cell phone will only be released to the parent after a fine of \$25, first offense; \$50 second offense and each additional confiscation.
- If a cell phone has not been turned into the teacher and it is used to call or text another person in/out of the school, there will be automatic in-school suspension.

## CAMERAS/DIGITAL CAMERA/CELL PHONE CAMERAS:

- Students may not use cameras, digital cameras or cell phone cameras at school unless specifically sanctioned by a teacher or the Principal.
- Photos taken by students of fellow students, activities, staff, building etc., cannot be published on the Internet. This applies to all photos taken in or out of the school.

## MUSIC PLAYERS, PAGERS, TWO-WAY RADIOS AND VIDEO GAMES ARE NOT PERMITTED ON SCHOOL PROPERTY without permission.

# Sexual Harassment Policy

Policy 4003 of The Archdiocese of Detroit - It is the policy of the Archdiocese of Detroit and St. Clare of Montefalco Catholic School to make every effort to provide an educational environment, free from all forms of harassment. This policy applies to the actions of all Faculty, staff and students at St. Clare of Montefalco Catholic School, as well as others who may be in a working relationship with the school. Both the Archdiocese of Detroit and St. Clare of Montefalco Catholic School are open to and respect the complaints brought under this policy.

St. Clare of Montefalco Catholic School will neither tolerate sexual harassment nor will it tolerate reprisals against any employee, student or other person for making a sexual harassment complaint. Any supervisor or Faculty member who receives a complaint of sexual harassment and fails to take corrective action pursuant to this policy is also subject to disciplinary action, including termination of employment. Students are expected to treat all persons, including each other, with respect and dignity. Accordingly, sexually inappropriate behavior directed at Faculty, staff or other students will not be tolerated. Such behavior will result in disciplinary action, up to and including exclusion from school.

What is sexual harassment?

- Sexually inappropriate behavior that is not welcome, is personally offensive, and fails to respect the rights of others.
- Harassment can be either conduct or communication.
- Sexually inappropriate behavior means inappropriate touching, gestures and language of a sexual nature directed at Faculty, staff or other students.
- Sexual harassment also includes conduct or communication that has the purpose or effect of substantially interfering with another student's education, or creating an intimidating, hostile or offensive educational environment.

The school will investigate all complaints of harassment in a prompt and confidential manner and will take appropriate corrective action when warranted. Any Faculty, staff member, student or other person in a working relationship with St. Clare of Montefalco Catholic School, who is determined to have engaged in harassment in violation of this policy, will be subject to appropriate disciplinary action, up to and including termination of employment or exclusion from school.

Retaliation in any form against a person for exercising his or her right to make a complaint under this policy is strictly prohibited, and will result in appropriate disciplinary action, up to and including termination of employment or exclusion from school.

## Archdiocese of Detroit – Weapons Policy

Students are prohibited from bringing weapons to or having weapons in school, on the school premises or in the immediate vicinity of the school.

### Definitions

A weapon is any object, which can be used to threaten or injure another. It includes, but is not limited to: guns of any kind, nature or description; knives of any kind; chains; karate sticks; brass knuckles; sling shots; sharpened instruments of any kind; ammunition...etc. A "firearm" means any weapon including a starter gun which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; any firearm muffler or firearm silencer; or any destructive device.

School premises include the school building and the adjacent grounds, e.g. parking lots and playgrounds and student lockers.

Any student found to be in violation of this policy and rule is subject to permanent expulsion.

A student who interferes with or otherwise obstructs the search and questioning in this policy and rule shall be subject to disciplinary action including the possibility of expulsion.

## Lunchroom/Recess Policy

Because lunch recess is for all students, each family is charged a fee as part of the tuition plan that is used to provide compensation for adults who help supervise during this time.

Students in Grades 1 – 8 receive 40 minutes utilizing the following schedule

- **11:20 a.m. – 11:40 p.m.:** Lunch with Grades 1, 2, 7, and 8 while Grades 3, 4, 5, and 6 have recess
- **11:45 a.m. – 12:05 p.m.:** Lunch with Grades 3, 4, 5, and 6 while Grades 1, 2, 7 and 8 have recess

Only students who have a note or a parent request by phone may go home for lunch. Students must sign in and out at the office.

Students may bring their lunch or take part in our "Hot Lunch" program at any time. The "Hot Lunch" program, beginning a few weeks after school starts and ending around Memorial Day, is available **by preorder** on a form sent with the *Monthly Newsletter Packet*. Each lunch is 2.75 (subject to change) and ordering can be selective – choosing one, some, or all days. *Because all hot lunches are preordered and prepared off site, extra lunches are generally **not** available on any given day. Nor can refunds be given for missed hot lunches due to absences or field trips.*

**Note:** Forms are available in the school office (*and they are confidential*) for those families who may qualify for free or reduced price lunches. Parents are encouraged to take advantage of this program. This program benefits both families and the school.

Milk is available for purchase for \$.50.

**Please remember:** *calling home at lunchtime for a forgotten lunch is almost fruitless because of time constraints. We have supplies to take care of these emergencies.*

**Both in the Lunchroom and at Recess students will...**

- follow directions when given
- be respectful and polite with everyone

- belong to a **NO BULLYING** school, which means **NO** teasing, name calling, cursing, hitting, fighting, or excluding others

### PLEASE NOTE

Violence may never be used in speech, play, writing or art.

### CONSEQUENCES

Verbal warnings are generally given followed by removal from recess. The Code of Conduct also applies to lunch and recess.

## Testing

Standardized aptitude and achievement tests are a tool for the teacher to see student strengths and weaknesses. They also provide a means of identifying a child's capabilities and achievement at a particular level. Combined with other information, these tests help present teachers and parents with a more complete picture of the child's progress.

St. Clare offers a complete battery of tests including:

1. **Iowa Test of Basic Skills** (revised 2011) – Grades 3, 5, 7 Annually, October.

Purpose of the Iowa Test:

- Improve instruction
- Offer a progress report (compare over time) of student to parents
- Compare students and schools nationally

Inappropriate use of test results:

- Evaluate teacher effectiveness
- Interpreting scores in isolation
- Determine who should be retained
- Select students for special programs

Grade Equivalent Scores Indicate:

- A student's developmental level
- Year to year growth
- They should NOT be used for placement

2. **Cognitive Abilities Test:** Measurement of learning characteristics and abilities, which contribute to academic performance. – Grades 1, 3, 5, 7 Annually, October.

3. **High School Placement Test** - for entry into Catholic high schools; annually the Saturday before Thanksgiving; taken at any Catholic high school

# Progress Reports

Progress reports are an interim means of reporting between card markings. All students in Grades 1 – 8 will receive a progress report at the midpoint of each quarter.

Failure in three (3) out of four quarters indicates that a student has failed the subject for the year and summer school is mandatory in the subject area failed.

Failure in three (3) major core subjects eliminates a student from promotion to the following grade. This could lead to dismissal from school entirely.

## **Student Library Policy**

The Charles H. Verheyden Memorial Library is dedicated to enhancing reading for research, education and enjoyment for all students.

### **LIBRARY LENDING POLICY**

The following guidelines must be set forth to ensure the vitality of our library collection:

- Library books are loaned out for one or two weeks and may be renewed at the Librarian's discretion
- The number of books and other library materials that may be borrowed at one time is governed by the reasonable needs of the reader and the amount of material on hand
- Overdue book fines are 5 cents per school day
- Students will be allowed to take new books only when previously borrowed books are returned
- Students will receive late notices sent to their classrooms. A letter may be sent home with the child. If no response is received, a letter will be sent through the mail notifying the parent/guardian(s) of the overdue book.
- Students must pay for any books that are lost or damaged
- All delinquent library accounts must be settled before report cards are issued

Books are not considered late if the child is absent on his/her library day, but must be returned as soon as the child is back in school. Late fees should be paid on the child's library day. (Jr. High students should pay fines when they return their late books.)

Funding to maintain the library collection is limited. This amount is supplemented each year in the following ways:

### 1. **The Birthday Book Club**

Families are given the opportunity to donate a book to the school library in their child's name. This may be to honor his/her birthday or any other special event. Parents will fill out a Birthday Book Club form indicating the child's interests and the amount they would like to donate. The child's name will appear on a permanent plate inside the front cover of the chosen book. The students will also have their names published in the PTO Newsletter as Birthday Book Club members, and have their names posted in the hall outside the library. The child may keep the book for two weeks, and then return it to the library to become a permanent part of our collection.

### 2. **Library book club**

The library hosts a book fair, providing new books for purchase by school and parish families. A portion of the profits go directly to the purchase of books for the library. Parent volunteers assist in this fundraiser.

# Enrichment and Extra-Curricular

## Field Trips

Field trips are scheduled throughout the year. Written notification, sent home with students prior to each scheduled trip, provides details regarding time, cost and place. Permission authorizing participation is required by the parent. Parents have the right to excuse a child from field trips.

## Special Student Groups

### STUDENT COUNCIL

The Student Council is composed of student representatives from Grades 5 through 8 and officers from Grades 7 and 8 who are elected in the fall of the school year to plan and implement various activities for the school. One of the goals of this organization is to provide students with leadership and decision-making opportunities. Staff members moderate the Council.

### NATIONAL JUNIOR HONOR SOCIETY

Students in Grades 7 and 8 may qualify for this national organization based on scholarship (3.3 grade average in the previous year and first two marking periods of the current year), character, leadership, service and citizenship. (A-B's in Conduct/Effort).

A five-person Faculty council makes final selection once a year after nomination list is compiled and posted and the *Student Activity Form* has been submitted by the student. New members are initiated at a special ceremony at which time the NJHS certificate of registration is presented. Regular monthly meetings are presided over by the Society-elected officers and supervised by the Chapter Advisor. The Chapter carries out activities, which are of service to the school and community as required by their Chapter.

### SAFETY PATROL

Service minded 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> graders provide assistance to crossing guards and protection at various crossing locations both mornings and afternoons for our students in this voluntary program, which is very rewarding community service.

# Student Internet Policy

## A. EDUCATIONAL PURPOSE

1. The Network has been established for limited educational purpose. The term "educational purpose" includes classroom activities, career development, and limited high-quality personal research.
2. The Network has not been established as a public access service or a public forum. St. Clare of Montefalco has the right to place reasonable restrictions on the material you access or post through the system. You are also expected to follow the rules set forth on the St. Clare School student conduct regulations and the law in your use of the Network.
3. You may not use the Network for commercial purposes. This means you may not offer, provide, or purchase products or services through the Network.
4. You may not use the Network for political lobbying. But you may use the system to communicate with elected representatives and to express your opinion on political issues.

B. Elementary students will have access only under their teacher's direct supervision using a classroom account. This Agreement must be renewed on an annual basis. The parent can withdraw approval at any time.

## C. UNACCEPTABLE USES

### 1. Personal Safety

- The student will not post personal contact information about themselves or other people. Personal contact information includes home address, telephone, school address, work address, etc.

- You will promptly disclose to your teacher or other school employee any message you receive that is inappropriate or makes you feel uncomfortable.

## 2. **Illegal Activities**

- You will not agree to meet with someone you have met on line without your parents' approval. Your parent should accompany you to this meeting.
- You will not attempt to gain unauthorized access to the Network or to any other computer system through the Network or go beyond your authorized access. These include attempting to login through another person's account or access another person's files. These actions are illegal even if only for the purposes of "browsing."
- You will not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses or by any other means. These actions are illegal.
- You will not use the Network to engage in any other illegal act, such as arranging for a drug sale or the purchase of alcohol, engaging in criminal gang activity, threatening the safety of person, etc.
- Students will not have email accounts through the school network. You will not use the school network to access personal email accounts, Instant Messaging, or social network sites (i.e. Hotmail, Gmail, Facebook, MySpace, etc.)

## 3. **System Security**

- You will immediately notify a teacher or the system administrator if you have identified a possible security problem. Do not go looking for security problems, because this may be construed as an illegal attempt to gain access.
- You will avoid the inadvertent spread of computer viruses by following the standard virus protection procedures if you download software.

## 4. **Inappropriate Language**

- Restrictions against Inappropriate Language apply to public messages, private messages, and material posted on Web pages.
- You will not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language.
- You will not post information that could cause damage or a danger of disruption.
- You will not engage in personal attacks, including prejudicial or discriminatory attacks.
- **You will not harass another person.** Harassment is persistently acting in a manner that distresses or annoys another person. If you are told by a person to stop sending them messages, you must stop. You will not knowingly or recklessly post false, defamatory or threatening information about a person or organization.

## 5. **Respecting Resource Limits**

- You will use the system only for educational and career development activities and limited, high-quality, personal research.
- You will not download any file without teacher approval.
- Printing individual documents or information from the Internet is allowed only with teacher approval.

## 6. **Plagiarism and Copyright Infringement**

- You will not plagiarize works that you find on the Internet. Plagiarism is taking the ideas or writings of others and presenting them as if they were yours.
- You will respect the rights of copyright owners. Copyright infringement occurs when you inappropriately copy a work that is protected by a copyright. If a work contains language that specifies appropriate use of that work, you should follow the expressed requirements. If you are unsure whether or not you can use a work, you should request permission from the copyright owner. Copyright law can be very confusing. If you have questions, ask a teacher.

## 6. **Inappropriate Access to Material**

- You will not use the Internet or Network to access material that is profane or obscene (pornography).

- If you mistakenly access inappropriate information, you should immediately tell your teacher or another St. Clare School employee. This will protect you against a claim that you have intentionally violated this Policy.
- Your parents should instruct you if there is additional material that they think it would be inappropriate for you to access. St. Clare School fully expects that you will follow your parent's instructions in this matter.

## **D. YOUR RIGHTS**

### **1. Free Speech**

Your right to free speech applies to your communication on the Internet. The Network is considered a limited forum similar to the school newspaper, and therefore, St. Clare of Montefalco School may restrict your speech for valid educational reasons. St. Clare of Montefalco School will not restrict your speech on the basis of a disagreement with the opinions you are expressing.

### **2. Search and Seizure**

- You should expect only limited privacy in the contents of your personal files on St. Clare of Montefalco School system and records of your on-line activity. The situation is similar to the rights you have in the privacy of your school desk.
- Routine maintenance and monitoring of the Network may lead to discovery that you have violated this Policy or the Law.
- An individual search will be conducted if there is reasonable suspicion that you have violated this Policy or the Law. The investigation will be reasonable and related to the suspected violation.

### **3. Due Process**

- St. Clare of Montefalco School will cooperate fully with local, state or federal officials in any investigation related to any illegal activities conducted through the Network.
- In the event there is a claim that you have violated this Policy in your use of the Network, you will be provided with notice and an opportunity to be heard.

## **E. LIMITATION OF LIABILITY**

St. Clare of Montefalco School makes no guarantee that the functions or the services provided by or through the system will be error-free or without defect. St. Clare of Montefalco School will not be responsible for any damage you may suffer, including but not limited to, loss of data, or interruptions of service. St. Clare of Montefalco School is not responsible for the accuracy or quality of the information obtained through or stored on the system. St. Clare of Montefalco School will not be responsible for financial obligation arising through the unauthorized use of the system. Your parents can be held financially responsible for any harm to the system as a result of intentional misuse.

## **ACCIDENT POLICY**

General student health forms are updated in the fall of each school year, noting current health and other problems. If there is change in emergency phone numbers, medical information, or contact person, the school MUST be informed of the changes so that the information on the emergency card is current.

If a child is injured and it is not noticed by a person in charge, the child must make his/her injuries known to an adult on duty or report to the office.

To provide for the care of a child should he/she be involved in an accident, the policy below will be followed by school personnel and lunchroom supervisors.

If the child must go to the hospital, the Principal or the person in charge should take the student to the hospital and await the arrival of the parents or contact person.
6. If a child must go home, he/she may do so only if transportation is provided by the parents or contact person.

## **ACQUIRED IMMUNE DEFICIENCY SYNDROME/AIDS RELATED CARRIER AND COMMUNICABLE DISEASES POLICY**

All cases involving serious communicable diseases will be treated with dignity and compassion. Whether a student will be able to participate in the school community will be based on the best then available information from treating physicians and other medical sources. The full Archdiocese of Detroit School and Policies Guidelines are available in the school office.

# Parent/Guardian Mandatory Service Hours Program

St. Clare of Montefalco Catholic School has always relied on the help and active involvement of school parents and guardians to coordinate and implement social and fundraising programs. Without parent/guardian involvement, St. Clare School would not exist. By actively being involved, parents and guardians set an important example of community service and commitment to their children.

There are many ways to get involved at St. Clare. This includes the PTO Used Book Sale held every September and the annual PTO Auction held in the spring – two major fundraisers that support the school financially. Other annual all-school program opportunities that rely heavily on parent/guardian involvement include the: PTO Snow Ball, School Open House, Coney Night, PTO Daddy-Daughter Dance, PTO Mother-Son Outing, Ice Cream Social, PTO Scary Skate, and Teacher Appreciation Luncheon. Some other events that will count toward your service hours are Market Day, Punt Pass & Kick, Jump Rope for Heart, Turkey Trot, and Field Day. Those events that happen after April 10 will count toward the service hours for 2012-2013.

Becoming an active member of the PTO is another way in which to get involved and serve.

Unless **EVERY** school parent and guardian gets involved and helps out, these programs that have made St. Clare School such a great community will simply disappear.

Because the issue of service hours is so crucial to the future existence of this school, the St. Clare School Commission and Parent Teacher Organization (PTO) have designed a Parent/Guardian Service Hours Program that will require parents and guardians to contribute their time (determined by a set number of service hours) each year.

## HOW IT WORKS

Each household (parent/guardian) will be required to provide a minimum number of service hours towards the planning or on-site help of those PTO and school-sponsored activities listed above. Parents/guardians are free to offer their time to work on the program of their choice from this list of activities. Additional school and PTO-sponsored activities and programs offering service hour opportunities may be announced throughout the year as well.

Parents/guardians need to sign in for each activity that they have been contacted to work. (Just being present and not working does not count toward your hours!) Each family should keep a record of their service hours. That record may be needed for verification. Only adult service hours will be counted in this program.

### Volunteers Needed!

The program runs from April 16 each school year to April 15 of the following school year. Each household (parent/guardian) will be required to provide a minimum of ten (10) mandatory service hours. For each service hour not fulfilled within this time period, there will be a charge of \$10 per unfulfilled hour (made payable to St. Clare PTO). Report cards will be held until the fee is paid.

### Opt Out Option

Volunteers are the key to making all of our programs possible. We encourage all parents to get involved in school programs and help your children learn the importance of volunteering in a community. However, we understand that it can be challenging for some families to find a convenient time to volunteer. You may OPT OUT of volunteer hours by sending in a check with the PTO volunteer sheet at the beginning of the school year. Checks for \$100.00 should be made payable to St. Clare PTO. If you decide to volunteer later in the year, we would love to have you do so at your own expense (no refunds will be made).

## St. Clare School Parent Teacher Organization (PTO)

The objectives of the St. Clare School Parent Teacher Organization (PTO) are:

1. To advance the educational and spiritual welfare of St. Clare students through a coordinated effort of parents and teachers
2. To provide a means of communication and community among the parents and teachers of our children

3. To promote the image of the school within the community
4. To provide financial assistance for special programs and instructional materials for the school
5. To provide social opportunities for families to meet

Every parent/guardian automatically becomes a member of the St. Clare PTO when they register their child at the school. General membership meetings for all parents are held yearly. Executive Committee meetings are held monthly and are open to all members. Parents are expected to participate in PTO activities throughout the year and are encouraged to take on leadership roles towards the planning and implementation of these activities as well.

Major Annual Events Sponsored by the PTO:

September.....	Used Book Sale
December.....	Snowball Party
January .....	Family Coney Dog Night – Catholic Schools Week
March .....	Daddy-Daughter Dance
March .....	Auction
May .....	Mother-Son Event
June .....	Ice Cream Social

For new parents, St. Clare’s PTO is a great way to get involved in the school and meet other parents. For more information on how to get actively involved as a member of the PTO, please contact the school office.

## St. Clare School Commission

The School Commission is an operative body of the St. Clare Parish Council and provides the principal and a representative faculty member with a group of parents of varied backgrounds who bring multifaceted points of view, religions, educational backgrounds, experiences and expertise to focus on how to provide the best Catholic Christian education.

The School Commission has two primary functions:

1. To provide an advisory body reporting to the Parish Council
2. To develop policies for St. Clare of Montefalco Catholic School

The principal, in consultation with the staff, implements these policies and recommendations to establish curriculum and develop procedures. The School Commission consists of 8 - 10 parents/guardians, a representative from the Faculty and the principal. The School Commission meets on the second Wednesday of every month during the school year. Any parent interested in serving on this committee can submit his/her name to the school office.

**Responsibilities include:**

1. Plan, set, and revise long and short-range goals
